Play together – Come together

The «Student's Academy of the European Forum of Psychomotricity» 2019 takes place in Zurich, Switzerland.

Interesting workshops, meeting students of psychomotricity from other European countries and having a great time. All of that is waiting for you at the Student's Academy 2019 in Zurich, Switzerland. Our motto is «Play together – Come together», we're going to play, to move, to exchange ideas, to learn about psychomotricity in other countries and – most importantly – to have a lot of fun.

The academy takes place at the University of Applied Sciences of Special Needs Education (HfH). You can get to the HfH by public transport in about 20–25 minutes from Zurich airport or Zurich mainstation. The fees include food, transport and, if you chose so, accomodation. Visit our facebook page for further information and check out pictures of the accomodation, our school and surroundings.

Date and Fees
